Introduction

Te Māngai Pāho funds content for broadcast that promotes te reo Māori and Māori culture, and under Te Ture mō te reo Māori aims to protect te reo Māori as a taonga under Te Tiriti o Waitangi. Our aim is to indiginise Aotearoa's content experience and though the content we fund we hope to achieve this.

Te Māngai Pāho is committed to supporting the Māori media sector and collectively improving the outcomes of the Maihi Karauna, the Crown's strategy for Māori language revitalisation. Our role in that is to ensure te reo Māori, tikanga Māori and Māori culture is reflected in the media to build greater awareness, appreciation of te reo Māori, values, practices and views within Aotearoa.

The Crown's strategy for Māori language revitalisation has three audacious goals by 2040:

- Goal 1: Eighty-five per cent of New Zealanders (or more) will value te reo Māori as a key part of national identity;
- Goal 2: One million New Zealanders (or more) will have the ability and confidence to talk about at least basic things in te reo Māori;
- Goal 3: One hundred and fifty thousand Māori aged 15 and over will use te reo Māori as much as English by 2040.

All content initiatives in response to this RFP should contribute to achieving these goals.

If you are new to our funding application process and would like further guidance on how to apply, your proposal, or have any questions regarding this RFP please feel free to contact blake@tmp.govt.nz or juneea@tmp.govt.nz

Te Pūtake

Purpose

Te Māngai Pāho seeks 3 page proposals (Stage 1 of 2) for the creation of:

1. Fluent content (100% Te reo Māori) for tamariki
2. Fluent content (70–100% te reo Māori) for rangatahi
3. Receptive content (30–70% te reo Māori) for rangatahi

to distribute via established platforms with marketing and distribution support, or platforms that have an established audience with a marketing and distribution plan attached. We hope to serve two distinct target audiences with content across multiple platforms that champion te reo and tikanga Māori, that use te reo and tikanga Māori in innovative, accessible ways to encourage widespread use of te reo Māori for tamariki and rangatahi.

- The assessment criteria will prioritise higher fluency content proposals.

Te Māngai Pāho will allocate up to \$6m (*but reserves to its sole discretion the right to distribute a higher or lesser amount in this funding round.*) of its 2023/24 contestable funding to support the creation of content for tamariki and rangatahi across Aotearoa.

This contestable funding opportunity is available to both previously funded, tamariki and rangatahi content with proven audience appeal, and new, innovative content for online and emerging platforms.

- Applicants with platform support, and an established audience will be prioritised.
 - The expectation is that each application has a primary and secondary platform for the content and that it be available for distribution on other unrelated platforms.
 - All content will also be broadcast via Whakataa Māori if Whakataa Māori is neither your primary or secondary platform after the exclusivity period has ended.
- Evidence of platform co-investment, marketing support relevant and specific to the idea is encouraged and will also be an advantage.
- Proposals that leverage other resources (waiata reo Māori etc) and agencies for better promotion of the te reo Māori outcomes will be prioritised.
- A limit of two proposals per target audience, per production company. (a total limit of four applications per production company)
